

	“EMPOWERING SUSTAINABILITY: ADVANCING RENEWABLE ENERGY SOLUTIONS”		
DAY 3: 28TH MAY; 2025 – Julius Nyerere International Conventional Centre			
07:30 - 08:30	Arriving - Registration & Breakfast		ALL
08:30 - 09:15	Icebreaker (Documentary REW2025 Unfolding)		MC/TAREA
	Setting the scene		
	OPENING CEREMONY -THE RENEWABLE ENERGY WEEK EVENT 2025		MC
08:30 - 09:15	Arriving Guest of Honour and Visit Exhibition booths		
09:15 - 09:25	Introductions and Remarks		Dr.Ing Matthew Matimbwi-TAREA Executive Secretary
09:25 - 09:35	Greetings from Ministry of Energy		Representative - MoE
09:35 - 09:45	Greetings from Diamond sponsor - SunKing Representative		Ms. Immaculate Shija
09:50 - 10:00	Keynote Speech TAREA		Dr. Prosper Magali-Chairperson TAREA
10:00 - 10:15	Guest of Honour' speech		European Union
10:15 -10:45	Awards to Sponsors & Exhibitors		
	Group photo		
	Vote of Thanks		Dr.Ing Matthew Matimbwi-TAREA Executive Secretary
10:45 -11:15	PRESS & MEDIA INTERVIEW		
11:20 -13:00	SESSION 1: UNPACKING THE TANZANIA ENERGY COMPACT MISSION 300. Moderator: Ms. Aida Kiangi		
11:20 -11:50	PRESENTATION: Ministry of Energy. Targets on the Renewable energy specifics, Short, Medium and Long-term goals under Mission 300. Reforms planned to catalyse investments		Eng. Innocent Luoga - Ministry of Energy
11:50 -12:40	Panel discussion		
	Enabling environment to achieve targets and attract investments from private and Development finance institutions		Rhoda Jordan-Antoine, PhD- World Bank
	Role of Financing institution and Development partners in supporting success of Energy Compact		Stephen Lyimo -TIB Development Bank
	Private sector participation to accelerate the Tanzania Energy Compact Targets		Michelle Kilpin - Managing Director - Tanzania Breweries Ltd.(TBL)
	Private sector participation to accelerate the Tanzania Energy Compact Targets		Dr. Prosper Magali - TAREA Chairperson
12:40 -13:00	Questions & Answers Discussion & Wrap up		Moderator

13:00 -14:00	Lunch Break & Networking	All
14:00 -16:00	SESSION 2: ROLE OF RENEWABLE ENERGY IN ACHIEVING 80% CLEAN COOKING IN TANZANIA 2034 Moderator: Eng. Finias Mageessa -TACCS	
14:05 -14:15	Presentation of snapshot Household Energy Consumption(HECS) patterns 2024	Festo Mwemutsi (NBS)
14:15 -14:25	Presentation: Renewables at the heart of clean cooking	Mr. Nolasco Mlay - Director Clean Cooking Unit (MoE)
14:25 -14:35	Presentation: Innovations and models supporting scale up of clean cooking, success stories	Dr. Matthew Matimbwi (TAREA)
14:40-15:30	Panel discussion:	
	What current and planned financial products to support clean cooking enterprises and end-user?	Mr. Hailo Kibiki - CRDB Bank
	What opportunities exist to support community level biogas, solar cooking and e-cooking?	Eng. Deusdedit Malulu-REA
	In order to provide policy oversight and environmental leadership how does VPO integrate clean cooking into national climate adaptation and sustainable development strategies.	Mr. Thomas Chali - VPO
15:30 -16:00	Question and Answer & wrap-up	Moderator
16:00 -16:45	SESSION 3: ENERGIZING GROWTH-HARNESSING ELECTRIC MOBILITY Moderator: Mercy Kitomari - Tri	
	Panel discussion:	
16:00 -16:30	The role of the government to accelerate sustainable Transport in Tanzania	Mr. Katabazi - Ministry of transport
	What measures is TRA implementing to streamline customs and tax procedure for EV imports and battery materials	TRA
	What grants, partnership models are needed to support local vehicle assembly and battery swap technology development	Mr. Ibrahim Mussa (AG Energies)
	What collaborations with Vocational institutions and financial bodies needed to develop skilled EV technicians and financing schemes?	Eng. Adrian Mapunda-ELICO Foundation
16:30 -16:45	Q&A Wrap up	Moderator
16:50 -17:45	SESSION 4: UNVEILING GEOTHERMAL TREASURES. Moderator: Austin Makani	
	Presentations	TGDC
	Geothermal for Energy Efficiency in Industries & Large Power Users	Eng.Mathew Mwangomba
	Geothermal Tourism and Opportunities	

	Geothermal in Agriculture and Food Security	Eng. Shakiru I Kajugus
	Geothermal in the Green Economy and Carbon Credits	
	Rare Earth Element (REE) and Gas Extraction	
	Q&A Wrap up	Moderator
17:45- 18:00	Wrap up Day 1 Evaluation Day 1 (QR Code)	MC
18:00 -20:30	Networking Cocktail Powered by TBL & UNDP An Evening Celebration: They Got the Power: Recognising Talent, Sparking Opportunity. <i>Championing Local Expertise in Energy Efficiency and Empowering the Next Generation</i>	All
DAY 4: 29th MAY 2025 - Julius Nyerere International Convention Centre (JNICC)		
08:00 - 08:45	Arrival, Morning Coffee & Tour Exhibitions	All
08:45 - 08:50	Ice Breaker Day 2	TAREA & MC
8:50 - 10:30	Session 5: Regulation Frameworks on Renewable Energy Technologies in Enabling Private Sector Participation in Realizing Tanzania Energy Compact 300	
Fire Chat	Moderator: Michael Onesmo	
	Panel discussion	
	Are there any planned reviews for the National Energy Policy 2015, what updates do we have on the renewable energy strategy finalization? What timelines are we talking about?	Eng. Imani Mruma-MoE
	Update on the reviewed regulations for small and large projects. How is EWURA Managing disputes on mini-grid encroachment?	Eng. Victor Labaa - EWURA
	How can Tanzania's National Carbon Monitoring Centre (NCCMC) leverage carbon credit and trading mechanisms to incentivize investments in renewable energy and energy efficiency, thereby accelerating the country's pathway to net-zero emissions?	Dr. Paul Lyimo-NCCMC
8:55 - 10:05	New regulatory attention to Renewable energy waste, solar battery and panels disposal and recycling enforcement	Dr. Boniface Kyaruzi-NEMC
	Role of Policy and Regulation in Energy Efficiency and MEPS, Roll-out of the developed MEPS how is TBS ensuring both national and internationally aligned and accessible to local business. What mechanisms are used to combat substandard/poor quality RE products? Are there any considerations of installation of substandard solar street lights	Eng. Spiradson Kagaba - TBS
	Clarification of VAT and duty exemptions for RE components, Tax compliance support for SMEs in the RE	TRA,

	sector; any updates on custom procedure and pre-clearance reforms.	
	Are there any improvements in PPA negotiation timelines or transparency? What roles does TANESCO see private developers in complementing national electrification targets?	Eng. Felix Tebo TANESCO
10:05	Question & Answers	All
10:05 -10:30	Wrap-up	Moderator
10:30 -11:00	Health stretch	
11:00 -13:00	Session 6: Financing the Future: Financing Renewable Energy and Energy Efficiency Projects	
Fire Chat	MODERATOR:Ms. Cecilia Manu	
	Panel discussion	
	What are your strategies in unlocking financing grid modernization and RE integration? What role do you play in facilitating bankable PPAs	Eng. Felix Tebo TANESCO
	Lessons from financing utility scale and community based RE projects. Opportunities in accessing local and international financing. Recommendations in improving the credit worthiness of RE developers in Tanzania	Ms. Dominatha Kibhisa-Rex Energy Eng. Hamisi Mikate- ENSOL T. Ltd Taha Ahmad-AG Energies
11:05 - 12:20	Innovative financing models for last-mile electrification using RE technologies, Co-financing schemes for private sector led mini-grids and PUE application	Eng. Deusdedit Malulu - Rural Energy Agency (REA)
	What are current loan products that support renewable energy and Energy efficiency investments, financing window for large scale RE infrastructure projects	CRDB, Mr. Kenneth Lusesa-TIB Development Bank
	What are your strategies in unlocking financing for RE integration?	Remidius Ruhinduka - Ministry of Finance
12:20 -12:55	Questions & Answers Discussion	All
12:55 -13:00	Wrap-up	Moderator
Session 7: Advancing Gender Equity and Digital Innovation in RE, EE Empowering women & Youth. Moderator: Ms. Oliva Gonda (Ardhi University)		
13:05 - 14:05	Panel discussion :	
13:05 - 13:45	Challenges and Opportunities of Gender Mainstreaming in RE and Energy Efficiency. Youth & Women Employability, engagement as a catalyst to a greener economy	Salma Liogope-UNDP Scholar Mr. Seth Matemu - SunKing Ms. Frida Mlingi-UN Women

		Eng. Mkufu Tandi - WIECA
13:45 - 14:00	Q&A	All
	Wrap up	Moderator
14:05 - 14:10	Evaluation of Day 2 and wrap-up session	All
14:00 -15:00	NETWORKING LUNCH & TOUR THE EXHIBITION	
CLOSING CEREMONY -THE RENEWABLE ENERGY WEEK EVENT 2025		MC
15:00-16:30	Arrival of Guest of Honour	
	Visit Exhibition booths	
	Arrival Guest of Honour in the venue	
	Introductions and Remarks-TAREA	Dr.Ing. Matthew Matimbwi-TAREA Executive Secretary
	Greetings from SunKing - Diamond sponsor	Ms. Immaculate Shija -SunKing
15:10-15:20	Remarks from - MoE	Representative MoE
15:30-15:40	Keynote Speech TAREA	Dr. Prosper Magali-Chairperson TAREA
	Guest of Honour Closing remarks	
	Certificates to Sponsors & Exhibitors	
15:40-15:50	Vote of Thanks	Dr.Ing. Matthew Matimbwi-TAREA Executive Secretary
16:35-16:40	Group photo	
	PRESS & MEDIA INTERVIEW	
	Guest of honour Leaving	Protocol
17:20-18:00	END OF REW 2025	All
